

UK Declaration of Incorporation

Bühler Technologies GmbH hereby declares the design and construction of the following machinery described below and in the version marketed by us to comply with all relevant basic health and safety requirements of **Machinery Safety Regulations 2008**. The machine component must not be put into service until it has been determined the machinery in which the machine component is to be installed, complies with the requirements of the directive.

The following legislation were regarded:

Electromagnetic Compatibility Regulations 2016
Electrical Equipment Safety Regulations 2016

Product: Off-line filter/cooling unit
Type: FGSL 60/PI2130-25/KRP 60-4-3kW/BLK 6.4-50Hz/Sonder-SEW

The object of the declaration described above is in conformity with the relevant designated standards:

EN 60204-1:2018
EN ISO 4413:2010

EN 61000-6-2:2005/AC:2005
EN 61000-6-3:2007/A1:2011

The manufacturer or his authorized representative undertakes to provide national authorities with the specific documentation of the partly completed machinery upon justified request. This transmission takes place by post or e-mail as a pdf file. The industrial property rights remain unaffected.
